Celebration in the Oaks is New Orleans City Park's largest annual fundraiser and a cherished holiday tradition, enchanting visitors year after year. This beloved event offers a magical experience for families, friends, and tourists alike, many of whom return each season as part of their holiday traditions. The month-long fundraiser attracts more than 186,000 visitors who gather beneath City Park's iconic live oak trees, aglow with more than one million twinkling lights, to explore miles of breathtaking holiday displays throughout the Park.

Celebration in the Oaks plays a key role in funding the Park's operations, contributing nearly 10% of its annual budget. Sponsorship support helps enhance the accessibility, quality, and safety of community programming, ensuring that City Park remains a vibrant, welcoming, and inclusive space for all.
